Resolution 11

By Order of the Board

Chan Su Shan (Ms)

Singapore, 26 June 2008

Additional Information for Item under the Heading “Ordinary Business”

Resolution 7 is to facilitate payment of Directors’ fees during the financial year in which the fees are incurred. The Directors’ fees are calculated based on, amongst other things, the number of expected Board and committee meetings for the financial year 2008/2009 and the number of Directors expected to hold office during the course of that year.

Statement Pursuant to Article 58(C) of the Articles of Association of the Company

Resolution 9 is to empower the Directors to issue shares in the capital of the Company and to make or grant instruments (such as warrants or debentures) convertible into shares, and to issue shares in pursuance of such instruments, up to a number not exceeding in total 50 per cent. of the total number of issued shares (excluding treasury shares) in the capital of the Company, with a sub-limit of 10 per cent. for issues other than on a pro rata basis to shareholders. The 10 per cent. sub-limit for non-pro rata issues is lower than the 20 per cent. sub-limit allowed under the Listing Manual of the SGX-ST and the Articles of Association of the Company, and is also lower than the 15 per cent. sub-limit approved by shareholders at last year’s 15th Annual General Meeting. The Directors believe that a lower sub-limit of 10 per cent. for non-pro rata issues under the general share issue mandate will at present sufficiently address the Company’s need for flexibility to raise capital and pursue future business opportunities whilst providing shareholders enhanced protection against dilution. For the purpose of determining the aggregate number of shares that may be issued, the percentage of issued shares shall be based on the total number of issued shares (excluding treasury shares) in the capital of the Company at the time that Resolution 9 is passed, after adjusting for (a) new shares arising from the conversion or exercise of any convertible securities or share options or vesting of share awards which are outstanding or subsisting at the time that Resolution 9 is passed, and (b) any subsequent bonus issue or consolidation or sub-division of shares.

Resolution 10 is to empower the Directors to issue shares in the capital of the Company pursuant to the Singapore Telecom Share Option Scheme 1999 ("1999 Scheme"), provided that the aggregate number of shares to be issued pursuant to the 1999 Scheme does not exceed 5 per cent. of the total number of issued shares (excluding treasury shares) in the capital of the Company from time to time as calculated in accordance with the Rules of the 1999 Scheme.

Resolution 11 is to empower the Directors to grant awards and to issue shares in the capital of the Company pursuant to the SingTel Performance Share Plan ("Share Plan"), provided that the aggregate number of shares to be issued pursuant to the 1999 Scheme and the Share Plan does not exceed 10 per cent. of the total number of issued shares (excluding treasury shares) in the capital of the Company from time to time.

Notwithstanding Resolutions 9, 10 and 11, as the Company is admitted to the official list of ASX Limited, the Company is bound to comply with the Listing Rules of ASX Limited that are in force from time to time, in particular Listing Rule 7.1 (which deals with new issues of equity securities exceeding 15 per cent. of capital) and Chapter 10 of the Listing Rules (which deals with transactions with persons in a position of influence).
